MEMORANDUM FOR ATTENDEES

FROM: USAFSAM/CC  
2601 Louis Bauer Drive  
Brooks-City Base TX 78235-5130

SUBJECT: Team Aerospace Operational Solutions Course (TAOS) 2004

1. On behalf of AFMSA and Team Aerospace, I would like to welcome you to TAOS 2004, scheduled from 1-5 March 2004, at the United States Air Force School of Aerospace Medicine (USAFSAM), Brooks-City Base TX. TAOS is for Team Aerospace members including flight medicine, bioenvironmental engineering, aerospace physiology, public health, and health physics personnel. The target audience for this event includes captains, majors, and staff through master sergeants.
2. The theme for this year is **Transformation in Aerospace Medicine**. The course will be conducted in joint plenary sessions, an AFSC-specific career day, and multiple breakout sessions. Daily bus transportation between the designated hotels and USAFSAM will be provided. We are working on a number of social engagements, including an icebreaker vendor social at the Brooks Club on Monday, 1 Mar, from 1700-2000 hours.
3. We look forward to you attending this important course. For all the latest developments, please review the rest of this website. If you still have questions or need assistance, please contact your specific course supervisor, or the TAOS 2004 POC, Maj Dana Dane, at DSN 240-3181 or [usafsam.taos@brooks.af.mil](mailto:usafsam.taos@brooks.af.mil).
